

## **Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount**

You are welcomed to come to our factory to buy the latest selling, low price, and high-quality Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount, POWER MARINE looks forward to cooperating with you. We have been specialized in Stainless steel Fishing rod holder for many years. Our products have a good price advantage and cover all around the world markets. The Clamp on style can satisfy different size of the pipe.

## **Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount**

### **Product Introduction**

As a professional high quality Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount manufacturer, you can rest assured to buy Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount from POWER MARINE and we will offer you the best after-sale service and timely delivery. The Marine grade stainless steel is our quality control for the stainless steel fish rod holder. The clamp is designed for the convenience of fishing enthusiasts around the world. Clamping features allow for easy installation and removal without drilling or permanent installation. If your brand has its own logo, we can also add and customize it for you.

### **Product Parameter (Specification)**

Product name	Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount
Specification available	Multiple sizes
Standards that follow to	ISO 9001, CE, TUV, CSS, SGS.
Samples available	Yes.
Packing method	Bubble bag+Wooden carton
Production lead time	10-15 days for a 20ft container, 20-25 days for a 40ft container.

### **Shandong Power Industry and Trade Co., Ltd.**

**Address:** Chengyang District, Qingdao, Shandong Province, China

**Tel:** [+86-15865772126](tel:+86-15865772126)

[+86-0532-83875707](tel:+86-0532-83875707)

**E-mail:** [andy@hardwaremarine.com](mailto:andy@hardwaremarine.com)

Warranty time	Support returns and exchanges
Payment term	T/T
FOB loading port	Qingdao China

Code	Length	Liner I.D.	Degree
PMS1409A	9inch	1-5/8 inch	90°

The history of Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount dates back to the mid-20th century when recreational fishing and boating became increasingly popular. The invention of the clamp-on rod holder revolutionized the way anglers could fish from a boat. In the past, anglers would typically have to hold their fishing rods or use makeshift holders to secure them while on a boat. This limited their ability to multitask or use multiple rods simultaneously. The introduction of Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount provided a convenient and efficient solution. The use of stainless steel in the construction of rod holders came about due to the material's excellent corrosion resistance and durability. Stainless steel is resistant to rust and can withstand the harsh conditions of saltwater fishing, making it well-suited for use on boats in coastal areas and offshore waters. The clamp-on design allowed the rod holders to be easily attached to different parts of a boat, such as the railing or gunwale. The adjustable clamp mechanism allowed anglers to securely fasten the rod holders to various sizes of boat rails, ensuring a stable and secure fit. Over time, manufacturers have incorporated various improvements and additional features into Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount. These include adjustable angling positions, multiple rod holding capabilities, integrated drainage systems, and portability considerations. Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount have become a staple for anglers and are widely used in recreational boating and fishing. They provide a convenient and effective way for anglers to secure their rods while fishing from a boat, enhancing efficiency and allowing for a more enjoyable fishing experience.

### **Product Details**

Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount typically have the following features:

**Material:** Made of high-quality stainless steel, with excellent corrosion resistance and durability, ensuring the product is long-lasting and suitable for use in salt water environments.

**ADJUSTABLE Clamping Mechanism:** The clamp-on design easily attaches to various parts of your boat, such as railings or gunwales. The adjustable clamping mechanism ensures safe and stable installation on ship rails of different sizes.

**Fishing Position:** Many Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount offer adjustable fishing positions, allowing anglers to position their

---

rods at different angles. This feature provides the flexibility to adapt to different fishing techniques or preferences.

**Multi-rod Holding Capability:** Some rod holders are designed to hold multiple rods at once, allowing anglers to fish with multiple lines or different types of bait.

**Drainage System:** To prevent water from accumulating inside the rod holder, some models are equipped with an integrated drainage system. This helps keep the rod holder dry and prevents water damage.

**Portability and Versatility:** Rod Holder are generally lightweight and easy to install and remove, making them portable and suitable for anglers who frequently change fishing locations or go on fishing trips.

**Mounting Options:** In addition to clamping to a boat railing or gunwale, some pole brackets offer the option of permanent mounting with screws or bolts. This provides a longer-lasting, safer mounting option for anglers who don't want to frequently remove Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount.

**Rubber or Protective Coating:** Some pole brackets have a rubber or protective coating on the clamping surface, which helps prevent scratching or damage to your boat's railing or gunwale during installation or use.

These features make the Boat Stainless Steel Fishing Rod Holder Clamp On Rail Mount a versatile, practical and durable accessory that allows anglers to securely hold their rods while on the boat, improving convenience and fishing efficiency.

## **Loading & Shipment**

Thanks to superior quality, we have been establishing a close & long business partner relationship with the customers from more than 30 countries, and we've gotten so many positive feedback regarding the quality.
